CHECKING ACCOUNTS: Checks will be printed using the names and the address of the Member as they appear on this application. TruPartner Credit Union is authorized to pay checks signed by me (or by us) and to charge all such payment against the shares in this Account. All items accepted for deposit or collected are subject to final credit determined by applicable laws and procedures. It is further agreed that: (a) Only credit union issued checks and other methods approved by the Credit Union may be used to make withdrawals from this Account; (b) The Credit Union is under no obligation to pay a check that exceeds the fully paid and collected share draft balance in this Account. However, if any of the undersigned writes a check that would exceed such balances and result in this Account being overdrawn, the Credit Union may: (1) Treat such checks as a request to the Credit Union for advance from a pre-approved overdraft protection loan account if such loan account is previously applied for, approved and established. (2) If none of the undersigned is then eligible to receive a loan advance as provided above, the Credit Union may, nevertheless, pay such checks and transfer shares to this account in the amount of the resulting overdraft, plus a service charge, from any other regular share savings and/or share draft account from which any of the undersigned is then eligible to withdraw shares. (3) Pay such checks in the amount of the resulting overdraft, plus a service charge, overdrawn the account, by the total amount. (4) In any event, members(s) agrees(s) to pay the Credit Union the sum of all overdrafts upon demand. (c) The Credit Union may pay a check on whatever day it is presented for payment, notwithstanding the date (or any limitation on the time of payment) appearing on the check. (d) When paid, checks become the property of the Credit Union and will not be returned either with the periodic statement of this Account or otherwise. (e) The Credit Union is not liable for any action it takes regarding the payment of a check or the order in which the checks are paid. (f) Any objection respecting any item shown on a periodic statement of this Account is waived unless made in writing to the Credit Union before the end of 60 days after the statement is delivered. (g) This Account is subject to the Credit Union's right to require advance notice of withdrawal, as provided in its bylaws. (h) This Account is also subject to such other terms, conditions and services as the Credit Union may establish from time to time. (i) The Credit Union may at any time (without prior notice) impress or enforce a lien on any part of your accounts by setting off the funds in this account against any debt owed to us now or in the future, by any account owner having the right to withdrawal. Such setoff is except as prohibited by law. (j) A stop payment on any check can be requested by calling or submitting in writing to the Credit Union, during regular Credit Union business hours, a request with the exact amount, date, number, payee and such other information that may be necessary to identify the check properly. Notice must be provided in a manner allowing the Credit Union reasonable opportunity to act on the request. If you call we may also require you to put your request in writing and get it to us within 14 days after you call. (k) The Credit Union may close this account at any time by mailing a notice to the primary account owner with a remittance for the balance therein or upon transferring said balance to another Credit Union deposit account in the name of same owner. The Credit Union shall not be liable for refusing to pay any check presented after an account is so closed.
