Loan Account #: _____ Monthly Payment: _____

By deferring, I/We understand interest will still accumulate on the outstanding balance, which will increase the total cost of borrowing. I/We will resume payments as scheduled following the month skipped as indicated above. I/We understand there is a \$30.00 processing fee for each loan payment skipped. Processing fee is deducted immediately from the specified account.

*Delinquent loans, accounts not in good standing, student loans, loans originated or refinanced after April 30, 2025, and first or second mortgage loans are not eligible for the Skip-a-Pay program. Skip-A-Pay offer is available for vehicles and personal loans. Only 1 payment can be skipped within a 12-month loan period.

Current method of payment:

- ☐ Loan coupon ☐ Automatic Payment from TruPartner account ☐ Electronic payment from another financial institution

Please select a method of payment for the fee:

- ☐ Payment enclosed ☐ Deduct from my savings account ☐ Deduct from my checking account
