By deferring, I/We understand that interest will continue to accrue on the outstanding balance, increasing the total cost of borrowing. **I/We** will resume payments as scheduled following the month skipped as indicated above. I/We understand there is a **$30.00** processing fee for each loan payment skipped. Processing fee is deducted immediately from the specified account.

* Delinquent loans, accounts not in good standing, credit cards, buy now pay later student loans, loans originated or refinanced within the last 12 months, and first or second mortgage loans **do not qualify** for the Skip-A-Pay program. Skip-A-Pay is only available for eligible vehicle and personal loans. Members may skip one (1) payment per loan within a 12-month period.
